Carver Classic Tournament Program "Interactive" Features

Interactive features allow you to quickly get information and locations related to the Carver Classic Tournament. Using a QR (2D barcode) reading app on your smartphone, hover over and position only the whole desired barcode in the barcode reading window so that the image is focused on the screen (as shown in example to the right).

If necessary, download a free QR reader app for your smartphone. Approved examples include "QRReader" and "RedLaser".
